Safety guidelines

- Read the instructions carefully before using the product. Failure to follow the instructions may result in electric shock, fire and/or serious injury.
- Use only for the purpose described in the instructions. Only use attachments recommended by the manufacturer.
- Do not use the product if the cable or plug is damaged. If the product is not working as it should, has been dropped, damaged, left outdoors, or dropped in water, return it to a service centre.
- Keep the cable away from heat, oil, and sharp edges.
- Do not carry the product by the cable and do not use the cable to pull the plug from the socket. Protect the cable from heat, oil and sharp edges.
- Use an extension cable that is suitable for the power input of the product. A cable that is too small for the product's power input may cause a risk of fire and electric shock.
- Do not overreach. Keep proper footing and balance at all times.
- Do not use the product near children or allow children to use it.
- This product is not a toy. Children should be supervised to ensure that they do not play with the product.
- Persons with reduced physical, sensory or mental capabilities or lack of experience and knowledge should not use the product unless they have been given supervision or instruction concerning use of the product by a person responsible for their safety.
- Do not use the product if you are tired, or under the influence of alcohol, drugs or medication.
- Do not use the product in explosive atmospheres, such as in the presence of flammable liquids or gases.
- Protect your hearing when using the product at high volume levels. Prolonged exposure to high volume levels may cause hearing loss.
- Do not expose the product to temperatures above 40°C.
- Do not use the product in the rain or wet conditions.
- Do not use the product if the battery is damaged.
- Do not attempt to open the product or the battery. Do not attempt to modify the product in any way.
- Do not dispose of the product in a fire.
- Do not dispose of the battery in a fire or with household waste.
- Do not short circuit the battery.
- Do not expose the battery to water or rain.
- Do not expose the battery to temperatures above 40°C.
- Do not attempt to open the battery.
- Do not attempt to modify the battery in any way
