Mini Pliers Set XS in Belt Pouch

Great things sometimes come in small packages

Compact. Practical. Robust.

Mini Pliers Set XS in Belt Pouch

- ▶ Always to hand, always useful: Pliers Wrench XS and KNIPEX Cobra® XS in a practical belt pouch
- ▶ Tool bag made from durable polyester fabric, with hook-and-loop fastener and belt loop
- > With pliers wrench XS: 100 mm tool length, parallel jaw opening gently grips up to 21 mm width across flats
- > With KNIPEX Cobra® XS: 100 mm tool length, grips round workpieces up to 28 mm, with self-locking effect
- > Dimensions (W x H x D): 30 x 110 x 45 mm

Large capacity, precise grip: As the jaws always grip in parallel, the Pliers Wrench XS is particularly gentle on hex heads with decorative finishes in sizes up to 21 mm width across flats.

Amazing flexibility: The self-locking effect of the KNIPEX Cobra® XS enables it to grip round materials up to Ø 28 mm extremely reliably – and, due to its very slim head, it can also hold small components in place.

Both tools are held securely in the practical tool bag due to a robust hook-and-loop fastener – and yet close at hand.
