EC Safety Data Sheet (1907/2006/EC)

CorkSorb

Revision: 1.2

Oil Binder Made Of Cork Last edited: 07. 03. 2011

IDENTIFICATION OF THE SUBSTANCE/PREPARATION AND OF THE COMPANY

Trade name CorkSorb

REACH registration Natural substance according to REACH Regulation (EC) No. 1907/2006 Art. 3

No. 39

Use Oil binder made of cork

Supplier RAW Handel und Beratungs GmbH

Grünstraße 5

D-79232 March-Hugstetten Phone +49 (0) 7665 / 934 29 - 0 Fax +49 (0) 7665 / 934 29 - 25

These numbers will only be staffed during office hours.

Responsible person Mr J. Wittstock, Phone +49 (0) 7665 / 934 29 - 0

This number will only be staffed during office hours.

Qualified person Dipl.-lng.(TU) M. Fischer, Phone +49 (0) 7665 / 934 29 - 17

This number will only be staffed during office hours. E-mail: sdb@raw-international.com

Emergency information

(24 h) Poison Information Center in Bonn, Phone +49 (0) 228 / 19240

2. HAZARD IDENTIFICATION

The natural substance is not classified as dangerous within the meaning of Directive 1999/45/EC.

In any case observe the information of the Safety Data Sheet.

Particular risks for humans and the environment:

No hazards to be particularly mentioned.

Additional information:

Natural material is not classified as flammable solid and oxidising substance.

Natural material is not classified as dangerous to the environment.

Natural material is not classified as dangerous to health.

3. COMPOSITION/INFORMATION ON INGREDIENTS

Chemical characterisation: Cork granules (natural product, Quercus Suber L. = Cork Oak),

CAS No.: 61789-98-8

Hazardous components: None

4. FIRST AID MEASURES

General information: No special measures are required.

After inhalation:Not applicableAfter skin contact:Not applicable

After eye contact: Rinse eyes with running water for several minutes holding eyelids well

apart.

After ingestion: Seek immediately medical advice.

5. FIRE FIGHTING MEASURES

Explosion hazard: Not applicable

Suitable extinguishing media: Water, extinguishing powder, CO₂, use extinguishing media appropriate

for surrounding fire.

Special protective equipment: In non-ventilated areas, fire fighters involved in rescue operations must

employ a self-contained breathing apparatus.

EC Safety Data Sheet (1907/2006/EC)

6. ACCIDENTAL RELEASE MEASURES

Person-specific precautionary measures: Not required

Environmental measures: After having absorbed environmental polluting contaminants,

avoid spillage into drains, ground water, surface water or soil.

Procedure for picking up / cleaning: Pick up mechanically

7. HANDLING AND STORAGE

Handling:

Information on safe handling:No special precautions are necessary.
Advice on fire and explosion protection:
No special precautions are necessary.

Storage:

Demands on storage rooms and vessels: Store at ambient temperature. Protect from rain and keep in a well

ventilated place.

Classification according to BetrSichV (Betriebssicherheitsverordnung = Operational Safety Ordinance):

Advice on storage assembly:

None

Further information on storage

conditions: None

8. EXPOSURE CONTROLS AND PERSONAL PROTECTION

No constituents with workplace-related limits to be monitored.

Personal protective equipment:

Respiratory protection: If used as prescribed not required.

Skin protection: Protective gloves

BGR 195 "Standards for the use of protective gloves" has to be observed (BGR: Berufsgenossenschaftliche Regel = Standard of

the Professional Association).

Eye protection: Protective goggles

BGR 192 "Standards for the use of eye and face protection" has to be observed (BGR: Berufsgenossenschaftliche Regel = Standard

of the Professional Association).

Body protection: Protective work clothing, BGR 189 "Standards for the use of

protective clothing" has to be observed

(BGR: Berufsgenossenschaftliche Regel = Standard of the

Professional Association).

General precautionary and Keep away from food, drink and animal feeding stuffs;

hygiene measures: when using the product do not eat, drink, smoke, sneeze.

9. PHYSICAL AND CHEMICAL PROPERTIES

Form: Solid Colour: Dark grey Odour: Mild pH value: Not applicable **Boiling point:** Not applicable **Melting point:** Not applicable Ignition temperature: > 300° C **Autoignition:** Not applicable 50 up to 75 kg/m³ Solubility in water: Insoluble Density:

10. STABILITY AND REACTIVITY

Hazardous decomposition products: Carbon monoxide and carbon dioxide are released at

temperatures higher than 300°C.

Materials to avoid: Strong oxidants and alkaline solutions (pH value > 13)

11. TOXICOLOGICAL INFORMATION

Toxicological information: When properly handled and used as intended, the product

does not cause any harmful effects according to our experience and the information provided to us; on the basis of the current version of the EC lists, the

material does not have to be labelled.

12. ECOLOGICAL INFORMATION

Impact on the environment:No data availableClassification:Natural product

13. DISPOSAL CONSIDERATIONS

Contaminated product: Disposal according to the waste code number of the

absorbed product in the European Waste Catalogue Small quantities can be disposed of together with household waste and/or European Waste Catalogue

010102 (Wastes from mineral non-metalliferous

excavation).

Soiled packaging: Disposal according to official regulations
Completely empty vessels: Disposal according to official regulations

14. TRANSPORT INFORMATION

For unused material applies:

Product not contaminated:

Land transport (ADR/RID):No dangerous good in the sense of these transport regulations.

Inland waterway transport (ADN/ADNR):No dangerous good in the sense of these transport regulations.
No dangerous good in the sense of these transport regulations.

Air transport (ICAO-TI / IATA-DGR): No dangerous good in the sense of these transport regulations.

15. REGULATORY INFORMATION

Labelling in accordance with EC Directives:

Hazard symbol/labelling: Not applicable

Water endangerment: Natural product not soluble in water. Can be mechanically

separated in wastewater treatment plants to a large

extent.

16. OTHER INFORMATION

The information given above is based on our present level of knowledge and does not constitute an assurance of properties. No claim is made to exhaustiveness. The information should only be considered a general guideline. Existing laws and regulations must be observed by the recipients of our product at their own responsibility. The company cannot be held responsible for damage resulting from the use of the product.
